MESSAGE FROM THE CHAIRPERSON

Congratulations to our Class of Fanuchānan 2019! The Board of Regents is proud and honored to watch our graduates cross the stage today.

Your time at UOG has given you a firm foundation to start building your future — a foundation of knowledge and skills, but even more importantly, one of values and perspective.

The world and our region today need forward-thinking, creative, and collaborative minds in every field to lead teams and work toward solutions. These are skills we are proud to say that our UOG graduates possess.

As you take this next step, know that you will always be part of our Triton family, and we hope that you will remain an active and engaged part of this university for years to come. Congratulations, again, and whether inside the campus or out in the community — Para Hulo'!

Elvin Y. Chiang, CPA
Chairperson, Board of Regents

MESSAGE FROM THE PRESIDENT

I am honored today to congratulate our Class of Fanuchānan 2019 and witness one of the most important days of your lives.

All the lectures, class presentations, essays, exams, discussions, and community experiences — each of these expanded your knowledge, challenged your thinking, and ultimately led you here today, where you will be recognized before university administrators, deans, and faculty as scholars in your fields. This significant accomplishment is now a testament to the world of your capabilities and your work ethic to contribute to the greater good.

As UOG alumni, you have a unique perspective to offer the world – one that is well-rounded from our diverse student and faculty population and one that is influenced by the cultural traditions and values of this region that have withstood the test of time. No one else can bring the same perspective that you can. The lessons you learned here will be something you refer back to time and again throughout your life and career.

Our alumni are serving in important and impactful ways across all industries and various countries, and you will be too. We hope your foundation here at UOG will take you on an ever-upward trajectory, and we look forward to hearing of your great accomplishments.

Congratulations, and BIBA UOG!

Thomas W. Krise, Ph.D.

ABOUT COMMENCEMENT

Academic Dress and Procession

The history of academic dress dates to the Middle Ages when many scholars were also clerics and wore costume of the monastic orders. In 1321, the University of Cambridge adopted specific styles and color combinations. American colleges and universities desired to adopt a standard code for academic dress for colleges and universities in the United States. The standards continue to be followed by the American Council of Education.

The costumes worn today are all traditional and their colors, trimmings and patterns interpret the degree, the field of learning, and the institution that conferred the degree. The bachelor's gown has long pointed sleeves and is designed to be worn closed; the master's gown has an oblong sleeves open at the wrist. The rear part of its oblong shape is square cut and the front part has an arc cut away. The doctor's gown has bell-shaped sleeves, is faced with velvet and has three bars across the sleeves. The color of the velvet is distinctive of the degree.

The hood tells the story. The type of degree bachelor's, master's, doctor's, is indicated by the width of the velvet edging and the length of the hood, the doctor's hood being the longest and of a fuller shape. The color of the velvet edging denotes the field of learning and the lining denotes the school that conferred the degree.

The color of the tassel, worn on the left side of the mortarboard, indicates the field of study and is gold for those with a doctor's

degree. The colors you will see today in the hoods and gown of our faculty represent the various fields of learning: white, arts, letters, and humanities; drab, business administration; light blue, education; apricot, nursing; dark blue, philosophy; and golden yellow, science.

The academic procession is led by the grand marshal, who is the President of the Faculty Senate. A traditional order to procession is followed: First come the candidates for degrees according to the order in which the degrees are to be conferred; next, members of the faculty led by the faculty marshal, the honorary degree recipient and the other members of the platform party followed by the president of the university. The order is reversed for the recessional.

You will note that some of today's graduates are wearing a gold stole. This stole indicates that the wearer is graduating with academic honors.

The Mace

Historically, the mace was a heavy, spiked club used during the Middle Ages to break armor in battle. Today, the mace is an ornamental staff borne as a symbol of authority before a public official or legislative body. The mace of the University of Guam is made of ifil wood into which are carved ifil leaves. Ifil wood was chosen because of its performance, strength and value, all of which reflect the major characteristics of the University of Guam. The mace, designed by Forrest G. Rogers, was carved and donated to the University of Guam by the Department of Corrections.

COMMENCEMENT ADDRESS

ANNMARIE T. MUÑA President and General Manager AM Insurance

Annmarie T. Muña is a licensed independent insurance broker and president and general manager for AM Insurance. She graduated from the University of Guam in 1983 with top honors, earning her bachelor's as a double major in management and business administration while working as an insurance clerk for Universe Insurance Underwriters. Following graduation, she transitioned into management and eventually opened her own insurance company, AM Insurance, in 1994 in response to a growing need on island for excess and surplus coverage of large local companies.

Muña now has more than 40 years of insurance knowledge and experience. She is a licensed insurance broker who is uniquely qualified to access numerous international markets for her clients and is one of the most experienced brokers in the servicing of government accounts on Guam. She is also a licensed real estate broker.

Her knowledge and expertise have bolstered the company's growth, affording AM Insurance the reputation for being a leading broker on Guam.

Muña is a strong believer in giving back to the community, both financially and through service.

She currently serves on the boards for the Guam Chamber of Commerce, the American Red Cross, and the Guam Community College Foundation Board of Governors.

THE NATIONAL ANTHEM

Lyrics by Francis Scott Key

Oh! Say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O're the ramparts we watched were so gallantly streaming.
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh! Say does that star-spangled banner yet wave
O're the land of the free and the home of the brave?

THE GUAM HYMN / FANOGHE CHAMORU

Ramon Manalisay Sablan, M.D. (1934)

Translated to CHamoru by Lagrimas Untalan

Fanoghe CHamoru put it tano'-ta
Kanta I matuna-na gi todo I lugat.
Para I honra, para I gloriha
Abiba I isla, sin parat.
Para I honra, para I gloriha
Abiba I isla, sin parat.

U todo I tiempo I pas para hita
Yan ginen I langet na bendesion.
Kontra I piligru, na'fansafu ham
Yu'os protehi I isla Guåhån.
Kontra I piligru, na'fansafu ham
Yu'os protehi I isla Guåhån.

UNIVERSITY ALMA MATER

Music by R. Mannoni

On the shore of the Western Pacific
Stands our Alma Mater true.
We'll long retain the memories
Of the days we spent with you.

In the warmth of the island magic,
We will return some day.
Join in and sing a song of praise.

Hail, oh hail.
Hail, oh hail.
Our University.
