Temporary, Full-Time, 40 hours per week

**Benefits:**

Full-Time: Social Security, Medical and Dental Insurance, 4 hours annual leave and 4 hours sick leave per pay period, holiday pay, up to 3% 403(b) match based upon employee contribution of 3%.

The position begins on **January 19, 2020** and ends on **January 18, 2021** based on availability of funds with possibility of extension should additional funds become available.

**Location:**

School of Health

**Minimum Qualifications:**

- Master's degree or higher in health related field;
- Five (5) or more years of work experience as a clinician or educator in a health-related field working directly with the elderly

**Preferred Qualifications:**

- Ten (10) years of clinical practice or health professional education experience
- Gerontological certification in a health professional field
- Prior teaching experience in working with clients with Alzheimer's Diseases and Related dementias (AD/RD)

**Character of Duties:**

- The selected candidate will be responsible for working with the nursing assistant training site and other partner sites, to provide geriatric focused training, implementation of quality of care initiatives, and work with the GWEP Evaluation and Outreach Coordinator to implement outcomes measures.
- The Clinician will work with the nursing assistant training site to implement the 4Ms Framework as per the GWEP workplan.
- The Clinician will be responsible for interdisciplinary training including physicians and other health care providers (training in the area of geriatrics and AD/RD).
- The Clinician will provide instruction in the caregiver training program, family training sessions, and in the trainings designed for health professions students, faculty, and direct care providers on Guam and in the Micronesian region.
- The Clinician will oversee the development of educational materials for physicians, and allied health professionals, and participate in community-based trainings and outreach activities. Training will be held at UOG, partner clinical settings, and community-based settings.
- The Clinician will develop a resource directory and establish outreach services to the community.
- The Clinician will promote continuing professional development that demonstrates a commitment to diversity, understanding the social determinants of health, and a desire to improve health systems to become age-friendly and dementia friendly.
- The selected candidate must be able to work flexible hours, including early evening and weekends based on training schedules and community need.

**Clearances**

- College transcripts should be submitted with application
- Upon selection, the applicant must submit PPD, police and court clearances to UOG HRO.
