

UNIVERSITY OF GUAM FILM FESTIVAL HOSTS 2020 COZY CINEMA

Mangilao, Guam - The University of Guam Film Festival (UOGFF) will host the "2020 Cozy Cinema" on Friday, November 20 at 6PM-8PM. This event is open to the public and will feature student films produced within the Communication Program. The virtual student showcase will be live on Zoom and will be streamed to Facebook. The Zoom registration link for the webinar format and UOGFF's social media accounts can be found below.

The sixth UOGFF was postponed from its annual spring showcase earlier this year. Despite our current situation with the impact of the COVID-19 pandemic, the Communication students decided to continue the tradition of the film festival to highlight Tritons' creative work and dedication with films created by UOG Communication students.

The planning committee for this film festival is led by the students of the CO410 (Public Relations Campaigns & Events) course, taught by Dr. Lilnabeth Somera. "Our main goal for the event is to provide an opportunity for the public to view and celebrate student accomplishments as well as to highlight the UOG Communication Program to help with recruitment and exposure of what the program has to offer," said Muturwan Choay, UOGFF Planning Representative.

The showcase will consist of four film categories, with two featuring films produced by alumni and the other two featuring work produced in Spring 2020. During the event, the audience will be invited to vote for their fan favorite of the alumni categories. Showcase winners will be determined by audience polling and feedback from selected judges. During the award ceremony, student filmmakers and the judges will share their experience and advice for aspiring filmmakers.

The virtual showcase schedule is as follows:

Judging Panel- Sarah Filush Camacho, Kel Muna, and Corey Santos

Categories- "Twisted Trailers," "Mood Pieces," "Fight, Fright, Flight," and "Campus Stories"

Intermission- Presentation of Communication Program, Donation Drive

Award Ceremony- Presentation of awards, Winners' speeches, Judges' feedback
