

Cayuse account reset password instructions.

1 Navigate to uog.app.cayuse.com

2 Click "Forgot your password?"

The screenshot shows a login form titled "Sign in with your username and password". It contains two input fields: "Username" and "Password". Below the "Password" field is a link labeled "Forgot your password?". An orange circle highlights the "password?" part of this link. At the bottom of the form is a blue "Sign in" button.

3 Click the "Username" field.

4 Click (Reset my password) button.

5 Type the code received from the email that is registered to your account.

The screenshot shows the 'cayuse' logo at the top. Below it, the text reads: 'We have sent a password reset code to the email on file for this username, if found. Enter it below to reset your password:'. There are three input fields: 'Code' (with a cursor and a yellow circle), 'New Password', and 'Enter New Password Again' (with the placeholder 'Type Password Again'). A blue 'Change Password' button is at the bottom.

6 Type a new password.

This screenshot is identical to the one above, but the 'Code' input field now contains four dots, indicating the code has been entered. The 'New Password' input field has a cursor and a yellow circle, indicating it is the focus for the next step.

7 Retype your new password.

it below to reset your password:
