

ENGLISH ADVENTURE PROGRAM

goes virtual

Program Overview:

As our island and the world recovers from the COVID-19 Pandemic, we want to stay connected with the launch of our new Virtual English Adventure Program (EAP). Programs can range from a few hours in a day to 6 weeks. Activities are conducted via Zoom or Microsoft Teams. Feel free to contact us to discuss your custom virtual EAP.

Give Us A Moment

▶ WATCH VIDEO

We invite you to watch a short video that was made by the Guam Visitors Bureau that reflects on our current situation. We look forward to welcoming you back to Guam, when the time is right.
